certified operators of mechanised welding equipment

according to DIN EN 1418 for EB- and Laser-machines

welding operator according to DIN EN 287 for tungsten-inert gas welding

certified test personnel according to DIN EN 473

UT process step 3

MT process step 2

RT process step 2

PT process step 2

ET process step 2

VT process step 2

welding equipment approved according to DIN EN 14744

Stand: März 2010
